## **SB 2445**

January 28, 2004

**SUMMARY OF BILL:** Requires a municipality which has filed an ordinance to annex territory to notify the county mayor where the property is located about such annexation during the 30 day period before the ordinance goes into effect. Requires such notification to include a copy of the ordinance and a map of the proposed annexation area. Requires the governing body of a municipality proposing to annex territory by referendum to adopt a plan of services for the territory and forward such plan to the county mayor in whose county the territory is located. Provides for the mayor of a municipality annexing territory by referendum to forward to the county mayor in whose county the territory is located a copy of the certification of the referendum results.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures - Not Significant**

Estimate assumes:

- An increase in expenditures for municipalities annexing territory for the costs associated with providing the notices, maps, service plans and other documents required under the provisions of the bill.
- Municipalities either already prepare the service plans or have them substantially completed by the parties requesting annexation thus any additional costs to local governments for this requirement are estimated to be not significant.
